

Navigating the Class Listing on the Oasis Website

Classes on the Oasis website are listed in order of class number. To more easily find the classes you are looking for try one of the following sort or search options:

1. Sort classes by class number, begin date or day of the week using the **Sort By** dropdown menu at the top right of the class listing.

2. Find a specific class number, type of class or class taught by a specific instructor using the **Search By** options on the left menu.
