232 Montgomery County's Famous Four-Legged Friends

Julianne Mangin, Writer and Family Historian

Established in 1920, Aspin Hill Pet Cemetery reflects the life and times of the Washington region. There lie famous pets owned by movers and shakers of the twentieth century. There are also thousands of pets of less influential owners whose stories are equally fascinating.

In this presentation, you'll learn about the Cemetery's history and the people who ran it. You'll also hear entertaining stories gleaned from newspapers, photographs, land records, and the inscriptions on the Cemetery's grave stones. **Nov 23 | 7-8:30pm | \$15**

247 An Evening of Traditional Irish Music

Keith Carr and Tina Eck, Musicians, Lilt Duo

Prominent Irish music duo "Lilt" give a performance of traditional dance music — jigs, reels, hornpipes, and other tunes — and provide insight into this beloved genre. They will discuss traditional instrumentation, the various tune forms and give a glimpse of the vibrant Irish music scene. The duo are acclaimed performers and teachers of the tradition, playing flute, tin whistle, Irish bouzouki, and tenor banjo. **Dec 3 | 7-8:15pm | \$13**

265 An Evening of Solstice Songs

Julie Kurzava, Vocalist and Diane Kinsley, Piano

December brings to mind holidays, family celebrations and memories of simpler times. Although this holiday season may feel different than those in the past, Julie & Diane are happy to share a program of feel good, stay warm songs to celebrate the darkest time of year, featuring music by Irving Berlin, Hoagy Carmichael, Leonard Bernstein and more. **Dec 17 | 7-8pm | \$10**
